

Electrical Estimator/Project Manager – West Bend, WI

Steiner Electric, a family-owned and oriented electrical contracting firm established in 1933, seeks to hire an Electrical Estimator/Project Manager. This role is key to the delivery of profitable, timely and high-quality projects to our valued customers. The chosen candidate will have the benefit of joining a growing company with a strong reputation, experienced team and long-term customer relationships.

POSITION REQUIREMENTS:

- State of WI Journeyman's License, Master Electrician preferred.
- 10+ years in the electrical trade.
- Minimum of 3 to 5 years of electrical estimating experience preferred.
- Knowledge of and the ability to apply the National Electrical Code to each project.
- Excellent written and verbal communication skills.
- Strong computer skills to include CAD and Microsoft Office (Word, Excel, Outlook, etc.) with the ability and desire to learn new software and programs as needed.
- Valid WI Driver's License.

RESPONSIBILITIES:

- Assess scope of work and required resources to determine if a project fits within our skill-set and scheduled work load.
- Complete accurate and timely estimates for electrical projects while continuously looking for opportunities to improve the efficiency and effectiveness of our electrical installations and estimating procedure.
- Analyze bids/projects to propose value engineered cost savings ideas.
- Survey a project, assess a client's needs and propose a design/build solution.
- Provide overall management and direction for existing projects to ensure the project is constructed in accordance with design, budget and schedule.
- Identify opportunities to obtain new business through networking and fact-finding with existing and potential customers.
- Positively represent the company in external project meetings.
- Anticipate material needs and partner with internal purchasing team to order material and schedule deliveries to jobsite or office in a timely manner.
- Adhere to, enforce, and remind team members of safe work practices.
- Continuously seek to grow knowledge and ability through classroom and independent learning and teach others to promote their development and success.

EXPECTED OUTCOMES:

- Projects are completed on time, under budget and at a profit to Steiner Electric.
- High overall customer satisfaction and retention.

- Timely response to customer and employee needs.

PAY & BENEFITS:

Pay is dependent on your experience and ability. Our benefit package includes medical, dental, vision, life insurance, short & long-term disability, paid vacation and holidays plus a generous retirement plan with a 10% company funded contribution.
