

Materials & Project Specialist

Steiner Electric, a family-owned and oriented electrical contracting firm established in 1933, seeks to hire a materials & project specialist to support our delivery of high-quality electrical services and projects to our valued customers. The chosen candidate must enjoy working in a fast-paced environment with a desire to deliver superior customer service and high-quality work both within a team and independently.

POSITION REQUIREMENTS:

- Experience in an office/administrative assistant role.
- Advanced computer skills to include Microsoft Office (Word, Excel, Outlook, etc.) with the ability and desire to learn new programs as needed.
- Strong typing and data entry skills.
- Excellent written and verbal communication skills.
- High level of organization and attention to detail.
- Ability to manage multiple tasks concurrently.
- Maintain regular and punctual attendance.
- Minimum education to include high school diploma or equivalent.
- Electrical and/or construction industry experience is preferred.

RESPONSIBILITIES:

- Support overall materials and services acquisition in the most cost and time efficient manner possible.
- Effectively understand and communicate with field and office personnel regarding the materials or services required and their procurement time frame.
- Interact with suppliers to maintain and negotiate favorable pricing and delivery schedules.
- Partner with internal personnel as a liaison between suppliers.
- Support timely and accurate invoicing and job costing through the entry of materials and services costs in the company's job management and accounting software program.
- Provide general project assistance to senior leadership and project management teams.
- General office administrative assistance as needed.

EXPECTED OUTCOMES:

- Timely response to customer and employee needs.
- Accurate and complete paper work.
- High customer and field team member satisfaction.
- Profitable projects driven by efficient and cost effective purchasing of materials and services in addition to accurate invoicing and job costing.

PAY & BENEFITS:

Pay is based on your experience and ability. Our benefit package includes medical, dental, vision, life insurance, short-term disability, paid vacation and holidays plus a generous retirement plan with a 10% company funded contribution.
